MUSIC TO OUR EARS

Jamie makes me feel really comfortable singing in front of other people. I have been able to build a relationship with her where I feel comfortable and can talk with her about personal things as well, not only music. She has become my mentor and I really appreciate her."

"ASHLEY" / KID STUDENT

"Thank you so much! It’s because of people like you that I can actually progress towards accomplishing my dreams. You are so amazing for doing what you do. I signed my first autograph last night!!"

"ALYSSA" / KID STUDENT

"It’s been awesome to see “Jake” develop and grow. One of the most touching moments I had with my student was when his foster family invited me to his adoption at the courthouse. I’ll admit, I teared up a bit seeing him get adopted into a great family with amazing parents."

OUR PURPOSE

OUR MISSION
Providing Texas youth in foster care with a committed one-on-one mentoring relationship through weekly, private music instruction, giving students the ability to build concrete strategies for lifelong success.

OUR VISION
By creating a consistent and nurturing environment, we empower youth in foster care to transform their futures through music mentorship.

CHANGING THE LIVES OF KIDS IN FOSTER CARE, ONE MUSIC LESSON AT A TIME

FOSTER CARE IN TEXAS
- Over 28,000 children in the foster care system
- Half of those will not graduate high school
- Only 3% of those will earn a college degree
- On average, a child changes homes six times

OUR IMPACT
- Since its founding, KING has served over 500 youth in foster care
- 100% of our 2015 & 2016 high school seniors graduated
- 95% of our graduated high school seniors have gone on to attend college, technical school or enlisted in the military
- Our students receive 25 hours of mentoring and music lessons annually
- Our students have only one music mentor throughout their transitions in placement

YOUR OPPORTUNITY
Our life-changing program seeks to improve the grim statistics on youth in foster care. By providing a child with an opportunity for music mentorship, you give them a creative outlet that allows them to feel normal, even during this tumultuous time in their lives.
